## Patents and Trademarks

---

<sup>i</sup> The mark of the application identified appears to be entitled to registration. The mark will, in accordance with Section 12(a) of the Trademark Act of 1946, as amended, be published in the Official Gazette, on the date indicated above for the purpose of opposition by any person who believes he will be damaged by the registration of the mark. If no opposition is filed within the time specified by Section 13(a) of the Statute of the rules 2.101 or 2.102 of the Trademark Rules, the Commissioner of Patents and Trademarks may issue a notice of allowance pursuant to section 13(b) of the Statute.

<sup>ii</sup> "You filed the trademark application identified below based upon a bona fide intention to use the mark in commerce. You must use the mark in commerce and file a Statement of Use (a.k.a. Allegation of Use) before the USPTO will register the mark. You have six (6) MONTHS from the ISSUE DATE of this Notice of Allowance (NOA) to file either a Statement of Use, or if you are not yet using the mark in commerce, a Request for Extension of Time to File a Statement of use ("Extension Request"). If you file an extension request, you must continue to file a new request every six months until the Statement of Use is filed. Applicant may file a total of five (5) extension requests. FAILURE TO FILE A REQUIRED DOCUMENT DURING THE APPROPRIATE TIME PERIOD WILL RESULT IN THE ABANDONMENT OF YOUR APPLICATION"

<sup>iii</sup> A notice of Allowance was issued on Nov. 20, 2007 for the trademark application identified above. The first request to file an extension for the statement of use has been approved. Applicant must continue to file extension of use every 6 months calculated from the date of the notice of allowance was issued until a Statement of Use is filed. Please note that a Statement of Use cannot be filed more than 36 times from the date of issuance date of the Notice of Allowance.
